

Shear Genius Salon's Covid-19 Guidelines

(For everyone's safety)

Updated 3/2021

Protocols

- There is no waiting room. Please call from your car when you arrive.
- Promptness is appreciated, even 5 minutes late may result in rescheduling of an appointment due to our extensive sanitizing.
- Wear a face mask that covers the nose and mouth at all times.
- When clients arrive will have their temperature checked, and then clients will be asked to sanitize their hands.
- Gloves from outside the salon are not allowed, we offer gloves.
- Travel beyond New England requires a 10 day self-quarantine or a negative test to enter salon.
- Please come alone. An exception will be made when accompanying a small child to their appointment.

Personal Items

- Limited to a handbag, a coat and a bottle of water.

PPE and Salon Tools

- Employees are masked and wear eye protection at all times.
- Stylist stations are placed more than 6 feet apart.
- Stations are sanitized between each client.
- High contact areas and bathrooms are sanitized frequently.
- There is a physical barrier between the sinks.
- All tools, towels, capes and robes are sanitized prior to your service.
- There is no changing room, do not wear high collars or hooded sweatshirts.

Social Distancing

- We ask that you continue to be mindful of physical contact, distance, and placement of your personal items while in the salon.

Thank you for your patience and understanding during this difficult time. We can't wait to see you
